PLEASING FRESH SCENT

relieves, soothes & deodorizes

## safe, gentle, effective

**Quick relief.** Relieves skin irritation from biting and scratching caused by flea and tick bites, grass or food allergies. Desensitizes and soothes inflamed skin.

**Deep cleansing & soothing.** Creates a rich natural lather that cleans and moisturizes the skin and repairs the coat.

**Compatible.** May be used with topical or ingested flea and tick control products.

**Nonstripping.** Protects the natural, moisturizing oils in your pet's skin.

**Nontoxic.** Botanically formulated without soap or detergent. Detergent-based shampoo can be absorbed into your pet's system, causing toxic reactions.

**Healthful.** Promotes healthy skin and leaves soft, silky sheen on coat.

## natural ingredients

Durvet Naturals entire line is plant-based. Our shampoos contain **NO** drying soaps or alcohol and **NO** coat-stripping detergents.

## earth friendly

Durvet cares about your pets and our planet. This product is **100% biodegradable** and this container is **100% recyclable.** ♻️
