FLY BAIT DECAL

FOR WINDOWS

Easy, Clean Removal, No Sticky Residue

APPLYING STICKERS

How to Apply: Stickers have an adhesive coating on one side and a plastic cover on the other.

OPEN ▶

1. With dry hands remove cover from the adhesive coating side first.
2. Place sticker in desired location.
3. Once sticker is adhered, remove the plastic cover to expose the attractive coating.
4. Wash hands thoroughly after applying stickers.

Do not wipe stickers after application. Prior to cleaning glass, use pull tab which does not contain chemicals to remove sticker.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating and drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Keep out of reach of children and domestic animals. Do not let children handle stickers. Do not handle stickers with wet hands.

ENVIRONMENTAL HAZARDS:

This product is toxic to wildlife. This product is very toxic to bees.

FIRST AID:

If swallowed:	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on skin or clothing:	Rinse skin immediately with plenty of water for 15-20 minutes. Take off contaminated clothing. Call poison control center or doctor for treatment advice.
If in eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-225-2883 for Emergency Assistance.

Note to Physician: No specific antidote is available. Treat patient symptomatically.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage:	Store in original container in a cool, dry place out of the reach of children.
Pesticide Disposal and Container Handling:	Carton: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available, or dispose of in trash. Stickers: Wrap used stickers in paper and dispose in trash.

NOTICE: To the extent allowed by law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label before using this product.

Use Information: Ortho® Home Defense® Fly Bait Decal for Windows kills the following: filth flies, house flies, little house flies, blow flies, bottle flies, flesh flies, phorid flies, fungus gnats, and vinegar (fruit) flies that land on the sticker surface and ingest the sticker coating. No fumes or vapors are released. The coating on each sticker is attractive to flies. Flies ingest the coating and start to die within one minute. The dead flies do not stick to the surface. Remove dead flies with a brush or broom and dispose of in trash, or by vacuuming.

Place stickers on windows or other places flies congregate out of reach of children and pets. Stickers can also be placed in kitchens, pantries and food storage areas.

The number of stickers to use is based on the size of the area where flies are found—one sticker per 1000 cubic feet is recommended. In rooms with high infestations, or for quicker results, place a sticker in each window. For maximum effectiveness, replace stickers applied indoors after 7 months or outdoors after 4 months. Replace stickers sooner when contaminated by dust, dirt, filth, etc. Keep stickers dry after application.

RESTRICTIONS

- Do not use on sky lights.
- Do not use in and around commercial barns, stables, and paddocks.
- Do not use in grazing areas, feed lots, poultry houses, or other similar areas used for housing, boarding, and/or rearing animals. This product may be used around barns and stables on residential property.
- Do not allow children to handle stickers or let pets come in contact with them.
- Do not place stickers directly above areas where food is stored or prepared.

APPLYING STICKERS

How to Apply: Stickers have an adhesive coating on one side and a plastic cover on the other.

1. With dry hands remove cover from the adhesive coating side first.
2. Place sticker in desired location.

3. Once sticker is adhered, remove the plastic cover to expose the attractive coating.

4. Wash hands thoroughly after applying stickers.

Do not wipe stickers after application.

Prior to cleaning glass (window), use pull tab (which does not contain chemicals) to remove sticker.
