

# SILVERFISH MONITOR & TRAP

Irresistible Silverfish Trap captures Common Silverfish and Grey/Long-Tailed Silverfish.

Unique attractant is highly appealing to Silverfish... 3 times more attractive over other Silverfish traps.

Wings over the trap windows are designed to keep out dust & disperse attractant.

Individually packaged attractant to stay fresh and potent until you're ready to use it. Attracts 6-8 weeks.

Double-sided tape on the bottom of trap allows trap to be placed just about anywhere and stay there.

Discreet low profile design for use in tight places: under pallets, equipment, furniture, behind cabinets, desks, beds, closets, etc.

Easy to use: Separate traps as instructed on bottom of trap. Remove release paper covering glue area. Open packet of attractant and carefully apply attractant crumbs in area designated for attractant. Fold trap in to box shape, folding tab A into tab B. Check traps frequently and replace when full or within 6 - 8 weeks.
