Turf Marker Blue WSB Select[™] provides a quick and easy solution for your spray pattern indicator needs. Packed in a convenient 2 oz. water soluble bags, **Turf Marker Blue WSB Select[™]** allows you to add dye to your tank mix without physically contacting the dye. The superior low-dust, granular formulation is designed to immediately break surface tension and prevent surface clumping and streaks associated with powdered WSB's. Available in a handy, re-useable plastic bucket.

PRODUCT BENEFITS

- Convenient 2 oz water soluble bags
- Up to 12x more efficient than typical surfactants
- No direct contact with dye means less mess
- No drips or splash-back
- Water soluble bags dissolve in under 2 minutes
- One bag treats up to 50 gallons of mix
